Q23 - We welcome your written comments below. What is something/are some things that the instructor does well, e.g., something you hope that the instructor will continue to do in the class in the future?

1	You did really well explain the vocab and prefix postfix. Keep the amount of homework and how you grade the homework.
2	The class is engaging. He uses various activities to engage students and encourage communicating in German. He is also very flexible in the case of illness/unexpected problems.
3	Thank you for being flexible and understanding.
4	Sehr gute. Awesome instructor. Does a good job explaining grammars.
5	James was a fantastic instructor. Very enthusiastic about the class, and really wants everyone to understand the material well. Prepared everyone for the quizzes and exams incredibly well, and would go beyond the requirements of the syllabus to help tie in concepts when needed. Definitely went above and beyond what I expected from my instructor for this semester.
6	He was very good at explaining the different concepts that we had to learn to complete this class.
7	Good class notes and examples. I felt well prepared for every assessment.
8	Doesn't just tell us the definition of words, but goes back into linguistic roots to explain why the language works this way. Also gives roots of words and ways in which they are used in the language. Is clear about contexts in which to use words and contexts in which not to use words. Helps us to understand which language is more practical in daily German life and what isn't.

Q24 - Make a suggestion(s) for improving the course (a criticism alone is not helpful; tell your instructor how you would fix any problem).

1	Nothing to complain. KEEP TEACHING LIKE THIS
2	Keep on schedule.
3	He sometimes moves quickly during speaking exercises and accidentally passes over students who may have wanted to speak. Before moving on to the next subject (if time allows), he could ask if anyone else has something else to say.
